Boren Fellowship & Scholarship: $4,000 for senior year and $30,000 for graduate study in the arts, humanities, and social sciences. Applicants must demonstrate exceptional potential for graduate work as well as financial need. Campus deadline: early February.

Capital Fellows: A ten-month paid post-graduate internship with a state government office/agency. Excellent option for students in all fields who are also interested in public service.

Churchill Scholarship: One year of graduate study in STEM at Cambridge University. Campus deadline: late October.

DAAD Scholarship: Semester and year-long internships/study/research in all fields in Germany. Deadlines vary. Some require university endorsement.

Davies-Jackson Scholarship: Two years of graduate study at St. John’s College, Cambridge for first-generation college students in the humanities.

Donald A. Strauss Scholarship: $10,000 for sophomores and juniors who have a demonstrated record of public service and leadership.

Fulbright: Cultural exchange funded by US State Department. One year post-graduate fellowship for research, study, or teaching English abroad.

Fulbright UK Summer Programmes: Three, four, or five-week academic and cultural summer programs for freshmen and sophomores. Deadline: mid-March.

Gates-Cambridge Scholarship: Post-graduate study at Cambridge University in all fields. Applicants must show evidence of commitment to improving the lives of others.

Gilman Scholarship: Funding for study abroad to non-traditional areas for students receiving Pell Grants. Deadlines vary. Application available through the Study Abroad Office.

Goldwater Scholarship: $7500 for up to 2 years of undergraduate study in STEM. Considered an important gateway award. Campus deadline: early December.

Marshall: Funding for graduate study in the UK for all fields. Scholars are very strong intellectually and have significant leadership potential. Application requires four strong letters of recommendation. Campus deadline: late August.

Mitchell: One year post-graduate study in Ireland in all fields. Selection criteria focuses on scholarship, leadership, and sustained commitment to service and community. Campus deadline: late August.

NSF (National Science Foundation) REU (Research Experience for Undergraduates): Provides funding for students to participate in research in the STEM and social sciences disciplines.

NSF (National Science Foundation) Graduate Research Fellowship: $30,000/year for up to 3 years of research-based study leading to a MS or PhD in STEM and Social Sciences. Deadlines vary by discipline, but are generally around mid-November. See also: Dept of Homeland Security, Dept of Energy, hertz, National Defense Science & Engineering, NIH.

Pickering Graduate & Undergraduate Fellowships: International relations and foreign policy. Women, minorities underrepresented in the Foreign Service, and students with financial need are encouraged to apply. Deadlines: Jan-Feb. See also: Bunche, Payne, Public Policy & International Affairs, Rangel, and Scoville Peace fellowships.

Rhodes Scholarship: Graduate study at Oxford in all fields. Applicants should demonstrate outstanding intellect, character, leadership, and commitment to service and should have 5-8 very strong letters of recommendation. Campus deadline: late August.

Soros Fellowship: Post-graduate study for “new Americans” in all fields. Deadline: early November.

Truman: $30,000 for graduate or professional school for juniors who are committed to making a difference through public service. Selection based on academic promise, service potential, and leadership. Campus deadline: early November.

Udall Scholarship: $5,000 to sophomores and juniors with the commitment and potential to make significant contributions to the fields of the environment, tribal health, or tribal governance. Campus deadline: early February.
