RESEARCH AND SPONSORED PROJECTS

2015 Annual Recognition Awards: Celebrating Success

The Office for Research Advancement and Compliance and the Office for Research and Sponsored Projects (ORSP) will present six awards to LMU faculty and staff at our Annual Recognition Reception, scheduled for October 15th. The event will celebrate the projects and research of the recipients (to be announced at the event) selected from the previous fiscal year.

The work of each recipient has made significant contributions to their respective fields, and brought national recognition to the University.

This year, awards will be made in the following categories: Scholarly Activity, Interdisciplinary Program, Promoting Faith & Social Justice, Innovative International Project, Large Scale Research, and Community Research.

First Quarter Activity Summary

During the first quarter of fiscal year 2016, LMU faculty and staff were awarded $3,127,481 to support their sponsored projects and research. Last year, during the same period (June – August), LMU received $1,013,547.

The number of letters of inquiry, full applications and contracts processed by the ORSP increased slightly during this quarter, in comparison to the first quarter of fiscal year 2015.
