Thursday, February 12, 2015
12:15 pm – 1:15 pm CTE, Univ. Hall 3030

Focusing on LMU’s Undergraduate Learning Outcomes: Habit of Service and Civic Knowledge & Engagement

Do our students develop a habit of service? How capable are they of making connections between what they’ve learned and the actions they take to promote justice in the world? We will look at evidence of how well LMU seniors perform these tasks, talk about how we teach these skills and discuss ways to improve performance as we focus on LMU’s Habit of Service and Civic Knowledge and Engagement Undergraduate Learning Outcomes. We will also share what was done by academic departments with the Oral Communication and Creative and Critical Thinking evidence that was presented last spring semester.

Presented by: Laura Massa, Director of Assessment

Lunch will be provided, please RSVP to assessment@lmu.edu or 310.258.2628
