Unleashing the Power of Rubrics

Laura Massa, Ph.D.
Office of Assessment, LMU

Tuesday, October 20th
11:45am – 1:00pm
Von der Ahe 190

Rubrics are a powerful tool that can help you understand and promote student learning while saving you time. Unleashing the Power of Rubrics will present a 5-step process for creating rubrics, share ideas for how to enhance student learning with rubrics, and provide tips for speedily and successfully capturing what your students have learned.

As part of the workshop, participants will be given time to begin building a rubric. Bring along a description of an assignment so you can get started on your own rubric.

Lunch will be provided, please RSVP to assessment@lmu.edu or call 310.258.2628.
