Focusing on LMU’s Undergraduate Learning Outcomes: *Diverse Perspectives and Respect for Others*

Do our students demonstrate respectful language and behavior in their interactions with others? Do they value diverse perspectives?

We will look at what we learned from asking LMU seniors to demonstrate these behaviors and values, talk about how we teach them, and discuss ways to improve performance as we focus on LMU’s *Diverse Perspectives* and *Respect for Others* Undergraduate Learning Outcomes.

We will also share how academic departments made use of the *Civic Knowledge & Engagement* and *Habit of Service* evidence that was shared last spring semester.

Presented by: Laura Massa, Director of Assessment

Lunch will be provided, please RSVP to assessment@lmu.edu or 310.258.2628
