STEM SCHOLARSHIPS

ACS Scholars Program

The American Chemical Society Scholars Program is for African American/Black, Native American/American Indian and Hispanic or Latino undergraduate students pursuing bachelor’s degrees in the chemical sciences, and planning careers in the chemical sciences.

Benefits:

- $3,000 for sophomores and $5,000 for juniors and seniors

Eligibility:

- U.S. citizen or resident of the U.S.
- Minimum GPA of 3.0

Deadline: March

Ada I. Pressman Memorial Scholarship

$5200 renewable scholarship for women planning to attend a full-time ABET-accredited program in engineering, technology, or computing in the upcoming academic year in the United States and Mexico. Must be a U.S. citizen and have a minimum 3.0 GPA.

Benefits:

- Award of $5200

Eligibility:

- Enrolled in an engineering program accredited by ABET
- U.S. citizen

Deadline: February
After College Inc.

After College has contributed over $1,000,000 to scholarships and student activities in various majors.

**Benefits:**

- Awards vary

**Eligibility:**

- Enrolled in an accredited program
- Minimum of 2.5 GPA

**Deadline:** March

American Association of University Women

AAUW has been empowering women as individuals and as a community since 1881. For more than 130 years, they have worked together as a national grassroots organization to improve the lives of millions of women and their families.

**Benefits:**

- Awards vary

**Eligibility:**

- Women who are full-time students

**Deadline:** Deadlines vary per application
American Indian Science and Engineering Society Scholarship

AISES has partnered with Indigenous Education, Inc. (providers of the Cobell Scholarship) to offer easy access to scholarships for American Indians, Alaska Natives, Native Hawai`ians, Pacific Islanders, and members of Canada’s First Nations through the OASIS Platform.

Benefits:

- Awards vary

Eligibility:

- Must be a AISES member at the time of application
- Must be an enrolled member or a decedent of an enrolled member of a federal or state recognized American Indian Tribe or Alaska Native Village; or Native Hawaiian or decedent from a Native Hawaiian; or Pacific Islander or decedent from Pacific Islander; or Indigenous person of Canada.

Deadline: March

Barry Goldwater Scholarship

The Goldwater Scholarship Program, one of the oldest and most prestigious national scholarships in the natural sciences, engineering and mathematics in the United States, seeks to identify and support college sophomores and juniors who show exceptional promise of becoming this Nation’s next generation of research leaders in these fields.

Benefits:

- Awards up to $7,500

Eligibility:

- Must be a full-time sophomore or junior pursuing a degree in an accredited 2 or 4 year institution
- GPA of 3.0
- Must be a U.S. citizen

Deadline: varies
National Action Council for Minorities in Engineering

NACME is responsible for more than $4 million in scholarships awarded annually to underrepresented minority students.

Benefits:

- Awards very per scholarship

Eligibility:

- Must have a minimum of 2.5 GPA
- Must be accepted into engineering

Deadline: varies

Mendez Scholarship Non-Profit

Fifteen-plus year’s history of awarding merit-based scholarships to those business, engineering, and pharmacology undergraduate and post-graduate university students with verifiable servant leadership examples

Benefits:

- awarding merit-based scholarships

Eligibility:

- proactively serving those who have less on-campus, in a community or in your work-place

Deadline: June
National Science Foundation

The National Science Foundation funds research and education in most fields of science and engineering. It does this through grants, and cooperative agreements to more than 2,000 colleges, universities, K-12 school systems, businesses, informal science organizations and other research organizations throughout the United States. The Foundation accounts for about one-fourth of federal support to academic institutions for basic research.

Benefits:

○ funding for research and education

Eligibility:

○ must be in the fields of science and engineering

Deadline: varies per application

National Society of Black Engineers

Undergraduate and graduate students majoring in science, technology, engineering, and/or mathematics (STEM) at a collegiate institution or graduate level students who majored in STEM as undergraduates.

Benefits:

○ awards vary

Eligibility:

○ must be in a STEM field
○ GPA verification

Deadline: varies per application
Pathways to Science

The mission of the Institute for Broadening Participation is to increase diversity in the Science, Technology, Engineering and Mathematics (STEM) workforce.

Benefits:
- awards vary

Eligibility:
- must be in a STEM field

Deadline: varies per application

Society of Hispanic Professional Engineers (SHPE) Foundation Scholarship

Scholarships actualize each of SHPE’s mission’s components by increasing student access and support to higher education in STEM programs. Our aim is to bridge the disparities in STEM degrees between Hispanics and their non-Hispanic counterparts.

Benefits:
- awards vary

Eligibility:
- 2.75 GPA unless specified

Deadline: June
Society of Women Engineers (SWE) Scholarships

SWE Scholarships support women pursuing ABET-accredited bachelor or graduate student programs in preparation for careers in engineering, engineering technology and computer science in the United States.

Benefits:
- awards vary

Eligibility:
- enrolled or accepted at a school with ABET-accredited programs

Deadline: February

Summer Undergraduate Research Fellowship (SURF)

Over the course of 11 weeks, SURF students contribute to the ongoing research of one of the six NIST facilities, which are the Communications Technology Laboratory, Engineering Laboratory, Information Technology Laboratory, Material Measurement Laboratory, NIST Center for Neutron Research, and Physical Measurement Laboratory.

Benefits:
- awards vary

Eligibility:
- U.S. citizens or permanent U.S. residents

Deadline: March
SAE International – BMW

This annual scholarship is provided by BMW AG in recognition of its commitment to excellence in engineering.

Benefits:
- Award of $1,500

Eligibility:
- U.S. citizens or permanent U.S. residents
- Minimum of 3.75 GPA
- Pursue an engineering or related science degree through an ABET accredited program.

Deadline: March

SAE International – Dawson

SAE and The Maintenance Council of American Trucking Associations have established this technical education scholarship to honor the leadership of Donald D. Dawson

Benefits:
- Award of $1,500

Eligibility:
- U.S. citizens or permanent U.S. residents
- Minimum of 3.25 GPA
- Pursue an engineering or related science degree through an ABET accredited program.

Deadline: March
SEA International – Hancock

The Dan and Vicky Hancock Scholarship for Mechanical Engineering Excellence, established by Dan and Vicky Hancock, provides financial support for students pursuing college degrees in the field of mechanical engineering.

**Benefits:**

- Award of $5,500

**Eligibility:**

- U.S. citizens or permanent U.S. residents
- Minimum of 3.0 GPA
- Pursue a mechanical engineering degree through an ABET accredited program.

**Deadline:** March

SEA International – Ford

Established in 2007, the SAE/Ford Partnership for Advanced Studies Scholarship was developed by the Ford Motor Company Fund and is for High school students from academies in Ford NGL Communities and Powered by Ford STEM Academies.

**Benefits:**

- Award of $5,000

**Eligibility:**

- U.S. citizens or permanent U.S. residents
- Minimum of 3.0 GPA
- Pursue an engineering or technology degree through an ABET accredited program.

**Deadline:** March
SEA International – Hendrickson

This scholarship, established by Hendrickson International, honors the late Edward D. Hendrickson, a pioneer in the commercial vehicle industry.

Benefits:
- Award of $5,000

Eligibility:
- U.S. citizens or permanent U.S. residents
- Minimum of 3.75 GPA
- Pursue an engineering or technology degree through an ABET accredited program.

Deadline: March

SEA International - Mozley

The Donald and Barbara Mozley Scholarship provides financial support for students pursuing an engineering degree at an ABET-accredited college or university.

Benefits:
- Award of $5,000

Eligibility:
- U.S. citizens or permanent U.S. residents
- Minimum of 3.5 GPA
- Pursue an engineering or technology degree through an ABET accredited program.

Deadline: March
SEA International - Young

The Young Radiator Company established this scholarship in memory of the company's founder, Fred M. Young, Sr. Mr. Young started the company in 1927 and saw it grow to become a major force in the field of Heat Transfer.

Benefits:

- Award of $1,000

Eligibility:

- U.S. citizens or permanent U.S. residents
- Minimum of 3.75 GPA
- Pursue an engineering or technology degree through an ABET accredited program.

Deadline: March
FILM

The Adrienne Shelly Foundation

The Adrienne Shelly foundation partners with several prominent academic and filmmaking institutions to award female actors, writers and directors who are either working on current short and feature film projects, new productions, or are seeking to transition from acting to writing and directing.

Benefits:

- Award amount varies

Eligibility:

- Varies by institution
- Current female students in the film industry

Deadline: Varies

The AFI Conservatory Scholarship

The AFI Conservatory offers scholarship support to first- and second-year Fellows. The Conservatory offers donor-supported scholarships to incoming and current Fellows based on both financial need and demonstrated talent. The Conservatory also seeks to provide aide for minority and international film students.

Benefits:

- Award from $1,500 – Full Tuition

Eligibility:

- Financial need
- Demonstrated talent

Deadline: December
Alfred P. Sloan Fellowship

To support the development of screenplays with scientific or technological themes, Sundance Institute and the Alfred P. Sloan Foundation provide opportunities for both emerging and established filmmakers through granting and fellowships.

Benefits:

- Annual cash award for a science- or technology-related project

Eligibility:

- For the grant only, screenwriters can be at any stage of their career, with no prior produced work or many produced works. The submission may range from detailed treatment to full screenplay.
- For the fellowship, screenwriters must have no more than one produced feature screenplay, and only the complete draft of a screenplay may be submitted (no treatments).

Deadline: September

BAFTA Los Angeles Scholarships

BAFTA Los Angeles supports the next generation of British film and television talent through our Scholarship Program, creating opportunities for exceptional British students to study at some of the world's most renowned film schools.

Benefits:

- Award amount varies

Eligibility:

- British students either currently studying film, or accepted to study film in the US
Brave New Fellows Program

The Brave New Fellows Program offers activist storytellers from communities of color and/or economically marginalized communities a one-year, paid opportunity to work with Brave New Films and learn how to create and distribute media that makes a difference.

Benefits:

- $800/week for the duration of the fellowship

Eligibility:

- Unrestricted

Deadline: September

Film Independent Project Involve

Each year, 30 emerging filmmakers from diverse backgrounds are given the opportunity to hone skills, form creative partnerships, create short films and gain industry access needed to succeed as working artists.

This robust program pairs participants with mentors at the top of their respective field, provides hands-on filmmaking experience from pre-production through premiere and much more. If you are passionate and focused with an original voice and commitment to collaboration, you are encouraged to apply.

Benefits:

- Awards Vary

Eligibility:

- Project Involve not only accepts writers and directors; they invite producers, cinematographers, editors, animators, executives, programmers and critics from underrepresented communities to apply.
- Film Independent Membership is required to participate in Project Involve
- Fellows must reside in Los Angeles for the duration of the program.

Deadline: September
Hispanic General Scholarship Fund

The HSF Scholarship is designed to assist students of Hispanic heritage obtain a university degree.

Benefits:

- Awards are based on merit; amounts range from $500 to $5,000

Eligibility:

- Must be of Hispanic heritage
- Minimum of 2.5 GPA on a 4.0 scale (or equivalent) for undergraduate and graduate students
- Plan to enroll full-time in an accredited, not-for-profit, four-year university, or graduate school, during the fall of a scholarship cycle (year)
- US Citizen, Permanent Legal Resident, DACA or Eligible Non-Citizen (as defined by FAFSA)

Deadline: February

Karen Schmeer Film Editing Fellowship

Awarded annually, this yearlong experience encourages and champions the talent of an emerging documentary editor. It creates opportunities to help cultivate an editor’s artistry and craft, and expand his or her professional and creative community.

Benefit:

- Awards vary

Eligibility:

- Applicants must be based in the United States and reside there March 2019 - March 2020. Applicants must have edited at least one feature-length documentary (60 minutes or longer), but no more than three feature-length films (fiction or documentary).

Deadline: September
Reel Works Fellows

Reel Works Fellows is an intensive, yearlong training program for talented young artists to specialize in a filmmaking discipline and create portfolio pieces for college and career access from November 2019 – December 2020.

Benefits:
- Awards vary

Eligibility:
- None provided

Deadline: Varies

Sony Diverse Directors Program

The SPT DIVERSE DIRECTORS PROGRAM is committed to helping talented artists of diverse backgrounds build TV industry relationships for a possible career as a DGA episodic TV director.

Benefits:
- Awards vary

Eligibility:
- Open to all individuals who can submit verification that they have the legal right to work in the United States on SPT productions for the duration of the program.
- Previous professional TV production experience is strongly preferred but not required.

Deadline: June
Sundance Institute Asian American Fellowships
The Asian American Fellowship aims to further the presence of Asian American voices in independent film as an extension of Sundance Institute's ongoing commitment to support a diverse group of emerging artists by awarding them an unrestricted grant of $2,500.

Benefits:
- Unrestricted grant of $2,500

Eligibility:
- Filmmakers of Asian American descent or with significant themes and/or characters portraying the Asian American experience in their screenplay are eligible to apply.

Deadline: February

Tribeca All Access

Tribeca All Access® seeks feature-length scripted and documentary projects from both established and emerging storytellers whose team includes a director that is underserved in the U.S. industry. Projects may be in any stage of development, from the treatment/screenplay stage through post-production. Projects of any genre and/or budget range are welcome to apply. Directors should be applying with their first or second feature films.

Benefits:
- Awards up to $10,000

Eligibility:
- Only one submission per applicant is allowed, unless applicant is working on another project in a different role.
- Films intending to be subtitled are eligible, but the submitted screenplay must be in English.
- Directors may apply with their first or second feature film.

Deadline: November
PRE-LAW FELLOWSHIPS AND SCHOLARSHIPS

ABA Legal Opportunity Scholarship

The ABA Legal Opportunity Scholarship grants 10 - 20 incoming diverse law students with $15,000 of financial aid over the course of their three years in law school.

**Benefits:**

- Award up to $15,000

**Eligibility:**

- Racial and ethnic minorities with strong financial need

**Deadline:** August

ABF Summer Research Diversity Fellowship

This fellowship is designed to introduce undergraduate students to the rewards and demands of a research-oriented career in the field of law and/or social science. Each Fellow will be assigned an ABF research professor who will involve the Fellow in his or her research project and act as a mentor during the Fellow’s tenure.

**Benefits:**

- $3,600 Stipend
- ABF Mentor

**Eligibility:**

- Sophomore or Junior status at time of application
- 3.0 GPA
- Commitment to diversity
CLEO Law Scholarship Database

The Council on Legal Education Opportunity is committed to helping students from underrepresented backgrounds enter the legal profession. CLEO believes that preparation and financial assistance are two keys to success. This is a database of various pre-law scholarships.

Benefits:

- Award amount varies

Eligibility:

- Criteria varies

Deadline:

- Varies

Mimi Deatherage Memorial Law Scholarship

Members of Virginia Country Club dedicated their 2005 golf fund raising event to Mimi, a fellow member who broke ground for women at Virginia by becoming its first female member in 1994. Mimi's passion was golf, and members created a scholarship to support an aspiring law student who reflects Mimi's dedication to the practice of law and to her great love of golf.

Benefits:

- Awards vary

Eligibility:

- Student must be a CA resident taking 12+ credits for an Associate or Bachelor's degree with a passion for both law and golf.
- Demonstrated financial need

Deadline: May
Sidney B. Williams Scholarship

The Sidney B. Williams Scholarship money can be applied to the verifiable costs associated with normal tuition and usual fees relating to full time and part time enrollment status (such as, but not limited to, student activity fees, law school or university fees, administrative fees).

Benefits:

- Award is up to $10,000

Eligibility:

- Students must show demonstrated commitment to developing a career in intellectual property law.
- High academic performance at the undergraduate, graduate, and law school levels (if applicable).
- Demonstrated financial need

Deadline: March

To participate in the contest, applicants should write a 600-word essay regarding autonomous driving technology.

Benefits:

- $1,250 award

Eligibility:

- Applicants must be enrolled in an accredited college, university, or law school in the United States
UCI Pre-Law Outreach Program
UCI’s POP helps students from disadvantaged backgrounds understand the demands of law school, prepare for the law school application and admissions process, and be inspired to one day use their legal skills to give back to the community.

Benefits:
- Free LSAT Review course
- Mentorship
- Scholarship assistance

Eligibility:
- Disadvantaged background
- 3.0 GPA or higher
- English is not the primary language in the home of origin
PRE-BUSINESS FELLOWSHIPS AND SCHOLARSHIPS

The PhD Project

The PhD Project was founded upon the premise that advancements in workplace diversity could be propelled forward by increasing the diversity of business school faculty. Today, our expansive network of supporters, sponsors and universities helps African-Americans, Hispanic-Americans and Native Americans attain their business PhD and become the business professors who will mentor the next generation of leaders.

Benefits:
- Varies

Eligibility:
- African-American, Hispanic-American or Native American
- A U.S. citizen or permanent U.S. resident
- In your senior year of college by the time you attend the conference or already possess a minimum of an undergraduate degree

Deadline: September

Tuck Bridge Program

The Tuck Business Bridge Program provides undergraduates from liberal arts, science, and engineering backgrounds with a comprehensive business curriculum taught by world-class MBA professors at the Tuck School of Business at Dartmouth.

Benefits:
- Varies

Eligibility:
- GRE or GMAT

Deadline: December
Univeristy of Chicago Summer Business Scholars

SBSP's experiential curriculum helps you build an analytical framework rooted in problem-solving and critical thinking skills that will set you apart from your peers in the classroom and in recruiting. SBSP prepares you to excel with employers and to make an immediate impact on your organization upon beginning your internship or full-time job. Our unique program will give you the knowledge and tools you will need to think decisively and act confidently.

Benefits:
- Varies

Eligibility:
- A letter of recommendation
- An unofficial transcript from all post-secondary institutions you have attended
- An essay
- Your resume
- Your SAT or ACT score (Domestic applicants only)
- If you are an international student or your undergraduate institution’s primary language of instruction is not English, please review the international requirements

Deadline: February

William E Simon Fellowship for Noble Purpose

ISI has established the William E. Simon Fellowship for Noble Purpose to recognize graduating college seniors who are pursuing lives dedicated to and distinguished by honor, generosity, service, and respect. The fellowship is named for William E. Simon. In order to qualify for ISI graduate fellowships, applicants must engage in graduate studies for the purpose of teaching at the college level.

Benefits:
- 40,000 unrestricted grant awarded

Eligibility:
- Applicants must be U.S. citizens who will be enrolled in a full-time graduate program for academic year 2019–20
- Those attending pre-professional (medical, law, divinity, business, etc.) programs are ineligible

Deadline: February
Pre-Med Scholarships and Fellowships

Aetna Health Professions Partnership Initiative-Summer Research Fellowship Program

Is designed to provide a laboratory research enrichment experience and some exposure to clinical medicine or dental medicine. Is for students who are interested in a career in medicine, dental medicine or biomedical research and for applicants who have completed some college coursework in biology and chemistry

Benefits:
- Provides housing, meals, and a stipend.

Eligibility:
- Must be from a traditionally underrepresented in the health professions
- Must be a U.S. citizen

Deadline: March

American Medical Woman’s Association (AMWA) Medical Education Scholarship

at national AMWA know that the cost of a medical education can be daunting, so we’d like to help. Supporting your medical education is important to us, and with this in mind, AMWA awards 4 (four) $500 scholarships to women currently enrolled in medical school. Awardees will be chosen based on the embodiment of the goals of AMWA. Financial need, though not a requirement, is also considered.

Benefits:
- Awards of $500

Eligibility:
- Must be enrolled in medical school

Deadline: September and December
American Parkinson’s Disease Association Medical Students Summer Fellowships

The goal of the APDA-PF Summer Student Fellowships is to cultivate students’ early interest in helping to solve, treat and end Parkinson’s and providing the tools they need to transition into leaders in the field.

Benefits:

- Award of $500

Eligibility:

- Open for both undergraduate and medical students
- Open for both international and national students

Deadline: April

Buckfire & Buckfire, P.C. Scholarship

The Diversity Scholarship is $2,000.00 and will be awarded to a student who is currently attending an accredited medical school, who is either a member of an ethnic, racial, or other minority, or demonstrates commitment to issues of diversity within their academic career.

Benefits:

- Award of $2,000

Eligibility:

- U.S. citizen attending an accredited medical school within the U.S.
- Minimum of 3.0 GPA

Deadline: May
CDC Epidemiology Elective Program (EEP)

The Epidemiology Elective Program (EEP) introduces medical and veterinary students to applied epidemiology, public health, and global health. Students learn by gaining hands-on experience and mentorship from CDC subject matter experts. This program offers assignments during 6- or 8-week rotation periods largely based at CDC in Atlanta, Georgia.

Benefits:

- assisting CDC’s EIS officers and other public health professionals
- contributing to CDC publications

Eligibility:

- U.S. citizen attending an accredited medical or veterinary school within the U.S.

Deadline: April

Chinese American Medical Society Scholarship

The scholarship is open to all first, second and third year medical or dental students. Students must be in good standing at an accredited U.S. medical or dental school in the USA at the time of application. Students that have just been accepted into medical school or dental school at the time of application are not eligible to apply for this year's scholarship.

Benefits:

- Award of $5,000

Eligibility:

- U.S. citizen attending an accredited medical school within the U.S.
- first, second and third year medical or dental students

Deadline: March
Chiyo M. Hattori Scholarship

This award fulfills one of Mrs. Hattori's final wishes, which was the creation of a scholarship grant for eligible, deserving students entering or enrolling in medical school.

Benefits:

- Award of $2,500

Eligibility:

- Current/entering medical student of an accredited U.S. medical school
- At least 50% Japanese-American ancestry
- Reside in southern California within the past 5 years

Deadline: May

Collegiate Leaders in Environmental Health-Center for Disease Control

This is a paid 9-week summer environmental internship for current undergraduate students (rising junior or senior) who are passionate about the environment, interested in human health, and curious about how they are linked.

Benefits:

- Vary

Eligibility:

- U.S. citizen or permanent resident

Deadline: May
Dartmouth MD-PhD Undergraduate Summer (MPUS)

Fellows will carry out research in a Geisel School of Medicine research laboratory. Each MPUS Fellow will be paired with a Geisel MD-PhD trainee currently engaged in bench-top research. This individual will serve as the Fellow’s immediate mentor.

Benefits:

- Summer stipend of $1,000
- Dormitory housing on the Dartmouth campus

Eligibility:

- U.S. citizen or permanent resident
- Minimum GPA of 3.3
- Sophomore or junior at time of application

Deadline: January

Dr. James L. Hutchinson and Evenlyn Ribbs Hutchinson Scholarship

Dr. and Mrs. Hutchinson intend the scholarship to assist young people who aspire to attend medical school and to recognize students who demonstrate excellence in both character and academic achievement.

Benefits:

- Award up to $2,000

Eligibility:

- U.S. citizen
- Graduate of a high school in San Mateo County or Santa Clara County or have permanently resided in that area during high school
- College senior and accepted to medical school or currently enrolled full-time in an accredited medical school program

Deadline: May
Foundation for Anesthesia Education and Research (FAER) Medical Student Anesthesia Research Fellowship Program

Through the program, FAER provides medical students with a variety of research opportunities within anesthesiology departments that have high-quality research and teaching environments. Anesthesiology departments host FAER medical student fellows for an eight-week period over the summer and support them in focusing on anesthesiology research, training in scientific methods and techniques and learning how to incorporate research into a medical career.

Benefits:

- Stipend of $3,200

Eligibility:

- Medical students

Deadline: December

Gene and Marilyn Nuziard Scholarship Fund

The scholarships are available to those studying to become physicians, nurses, nurse practitioners, Doctors of Osteopathic Medicine, and secondarily for physician specialists.

Benefits:

- Award up to $10,000

Eligibility:

- Minimum of 3.0 GPA for undergraduate

Deadline: May
Huntington's Disease Society of America Donald A. King Summer Research Fellowship

The objective of the Donald A. King Summer Research Fellowships is to sponsor HD investigations that can be conducted over a 10-week period, between May and September. Fellowship recipients, working under the supervision of senior HD scientists, will undertake a project that will be helpful in future HD research and nurture a continuing interest in HD research. The student fellowships are designed to attract the brightest future scientists into a career in Huntington’s disease research.

Benefits:

○ Stipend of $4,000

Eligibility:

○ Undergraduate life science students, pre-medical students, and first-year medical students who are currently attending accredited institutions in the United States

Deadline: March

Japanese American Medical Association (JAMA) Scholarship

The Japanese American Medical Association (JAMA), a professional organization of physicians and surgeons in Los Angeles offers scholarships for medical students in their first, second, or third year of study.

Benefits:

○ Stipend of $2,500

Eligibility:

○ Must be enrolled in medical school

Deadline: January
Memorial Sloan-Kettering Cancer Center: Medical Student Summer Fellowship Program

Memorial Sloan Kettering Cancer Center’s Medical Student Summer Fellowship Program is a research program for first- and second-year students at US medical schools who are interested in careers as physician-scientists in the field of oncology and/or related biomedical sciences.

**Benefits:**
- Stipend of $5,800

**Eligibility:**
- Must be enrolled in medical school

**Deadline:** March

Minority Health and Health Disparities International Research Training Fellowship

The NIMHD Minority Health Research Training Program (MHRT) funds U.S. institutions to offer research training opportunities in domestic and international settings to undergraduate, post-baccalaureate, and graduate students, as well as residents, fellows, and postdoctoral students from health disparity backgrounds.

**Benefits:**
- awarded academic institution up to $250,000

**Eligibility:**
- A student must be a member of a health disparity population underrepresented in the biomedical, behavioral, clinical, or social sciences
- A student must be a U.S. citizen or permanent resident associated with an accredited college or university

**Deadline:** varies per year
National Health Service Corps

The National Health Service Corps Scholarship Program (NHSC SP) awards scholarships to students pursuing eligible primary care health professions training.

Benefits:

- varies

Eligibility:

- U.S. citizen
- Full time student

Deadline: varies per year

National Medical Fellowship

The National Medical Fellowships (NMF) Service-Learning Programs provide special opportunities for students to work hands-on to enhance healthcare delivery in underrepresented communities. These programs match students with mentors, often eminent NMF alumni, and focus on areas of critical clinical/public health need.

Benefits:

- Varies per scholarship

Eligibility:

- U.S. citizen
- Currently enrolled in an accredited, graduate-level U.S. healthcare program
- Underrepresented minority student

Deadline: varies per year
Oliver Goldsmith, M.D. Scholarship

The award celebrates students’ efforts to improve the health care of underserved communities. Awardees receive a $5,000 scholarship funded by KPSC Community Benefit, mentoring from a Kaiser Permanente clinician, and a clinical rotation at a Kaiser Permanente facility.

Benefits:

- Award of $5,000

Eligibility:

- Are a student in good standing entering your third or fourth year of medical school
- Intend to practice medicine in Southern California

Deadline: January

Patient Advocate Foundation’s Scholarships for Students

The purpose of our scholarship program is to provide support to individuals that are legal residents of the United States of America pursuing undergraduate or graduate studies who have been diagnosed with or treated for cancer, a chronic, or life-threatening debilitating disease as a child or young adult.

Benefits:

- Award of $3,000

Eligibility:

- Full time student
- Maintain a 3.0 GPA
- Must have been diagnosed with and/or been actively treated for a chronic or life-threatening disease within the past five years.

Deadline: March
Pharmaceutical Research and Manufacturers of America (PhRMA) Foundation Advanced Predoctoral Fellowships in Pharmacology or Toxicology

These awards intend to encourage multidisciplinary training to apply the perspective of molecular, cell, and systems biology to pharmacology and toxicology research. Their scope includes basic drug action studies, detection of cellular responses to drugs at the gene level that create opportunities to optimize individualized drug therapy, and the corresponding evaluation of pharmaceuticals in human and clinical populations.

Benefits:

- Award of $20,000

Eligibility:

- Full time student
- Pharmacology or toxicology students enrolled in U.S. schools of medicine, pharmacy, public health, dentistry, or veterinary medicine.

Deadline: September

Sarnoff Endowment of Cardiovascular Science Medical Fellowships in the Cardiovascular Sciences

The Sarnoff Foundation is committed to promoting diversity in the biomedical and scientific community. We strongly encourage applicants from members of underrepresented or historically disadvantaged backgrounds.

Benefits:

- Stipend of $32,000

Eligibility:

- no citizenship requirements
- enrolled in accredited U.S. medical schools

Deadline: January
The UCSD MSTP Summer Undergraduate Research Fellowship (SURP)

This program is designed for motivated undergraduate students from groups that have been shown by the National Science Foundation (NSF) to be underrepresented in health sciences on a national basis and who are interested in seeking future training in a combined MD/PhD program or an academically oriented career in medicine.

Benefits:

- Stipend for the eight-week period - $1600/month
- Includes room (not board)

Eligibility:

- U.S. citizen
- Must have completed at least one undergraduate year at an accredited school or university

Deadline: varies

Toyota Motor North America – JMSA Scholarship

Focus is supporting the Japanese and Japanese-American communities through various health related efforts.

Benefits:

- Scholarships vary from $2,500-$20,000

Eligibility:

- Recipients can be students with non-Japanese background, but are willing to contribute to the Japanese society's activity

Deadline: December
Undergraduate Scholarship Program

Designed to provide a laboratory research enrichment experience and some exposure to clinical medicine or dental medicine. Is for students who are interested in a career in medicine, dental medicine or biomedical research and for applicants who have completed some college coursework in biology and chemistry

Benefits:

- Provides housing, meals, and a stipend

Eligibility:

- Must be college sophomores, juniors, seniors or recent graduates
- Must be a U.S. citizen or permanent resident
- Must be from groups that have been traditionally underrepresented in the health professions

Deadline: March

Additional Medical School Scholarships

The School of Medicine Financial Aid Office has created this section of its web site to post outside scholarship announcements for medical students.

Benefits:

- Vary per scholarship

Eligibility:

- Must be a U.S. citizen or permanent resident

Deadline: Varies
Other Undergraduate Scholarships

Actuarial Diversity Scholarship

The Actuarial Foundation ensures the future of the actuarial profession through its scholarships and reimbursement programs. Recipients of Foundation scholarships are selected by representatives of the actuarial profession, who may one day be their peers. So, not only are these scholarships a means to offset the cost of education, they also serve as a prestigious recognition by a highly rated profession.
