

Integrated Teaching Strategies and Methodologies

All Lessons in Urban EcoLab Modules have been structured to include effective teaching strategies and methodologies for various learners, as follows.

Note: Some resources describing these strategies and methodologies are included in the Urban EcoLab Educator Instructional Resources.

- visuals
- small group work
- partner work
- lesson activators, such as:
 - K-W-L chart
 - picture walk
 - think-pair-share
- lesson wrap-ups, such as:
 - exit slip / ticket
 - turn-talk-share
- graphic organizers
- four-corners
- expert groups
- draw-it
- hands-on
- indoor and outdoor learning opportunities
- scientific inquiry
- four ways of knowing urban ecology
- games, such as:
 - jeopardy
 - scategories
- technology, such as:
 - PowerPoint presentations
 - internet research
- Howard Gardner's Multiple Intelligences:
 - Visual-Spatial
 - Naturalist
 - Linguistic
 - Logical-Mathematical
 - Bodily-Kinesthetic
 - Interpersonal
 - Intrapersonal
 - Musical
