Module 4, Lesson 1

This material is based on work supported by the National Science Foundation ("NSF") under Grant No. 0607010. Any opinions, findings, and conclusions or recommendations expressed in this material are those of the authors and do not necessarily reflect the views of the National Science Foundation.

One million of these are used on airplane flights in the US every 6 hours!

Close up

2 million of these are used in the
US every 5 minutes!

Close up

426,000 of these are retired in the
US every day!

Close Up

1.14 million of these are used in the
US every hour!

Close up

106,000 of these are used in the
US every 30 seconds!

Close Up

60,000 of these are used in the US
every 5 seconds!

Close Up

Things look different at different scales!

How much garbage do you produce?
