

Urban EcoLab Curriculum

The Action Plan Process

Identify Resources

What do you need?

Module 5, Lesson 10

This material is based on work supported by the National Science Foundation ("NSF") under Grant No. 0607010. Any opinions, findings, and conclusions or recommendations expressed in this material are those of the authors and do not necessarily reflect the views of the National Science Foundation.

What Are Resources?

**Resources are
things you can
use...**

<http://www.flickr.com/photos/moominmolly/2442073806/>

What Are Resources?

**Resources are
investments in
your plan...**

<http://www.flickr.com/photos/64895104@N00/2393137359/>

What Are Resources?

**Resources are
people you can
rely on...**

<http://www.flickr.com/photos/kubina/471143582/>

What Are Resources?

**Resources are
organizations
that can help...**

<http://www.flickr.com/photos/baratunde/2837373493/>

**What Are Resources?
...so your vision becomes a
reality.**

Material Resources

Tools, investments
and supplies are all
material resources
because they are
things that you can
use.

Social Resources

People and organizations are *social resources* because they are people upon whom you can rely.

Good Luck!
