Welcome to Loyola Marymount University! We are delighted to have you join us. Every year, the Office of Faculty Affairs publishes a newsletter introducing new faculty members to the campus community.

Please fill in the form below and provide us with a digital image of yourself via email as a high-resolution JPEG file so that we can include you in the Bio sketch booklet distributed at New Faculty Orientation as well as various administrative offices across campus.

Your digital photograph should meet the standard for high-quality printing – a 200 dpi minimum resolution, please. We ask that you do not send any image downloaded from a web page, as a web JPEG has been optimized for viewing on screen and will appear pixilated when printed.

For your Biosketch, please write a paragraph similar to the sample below. Please send the completed form to the Office of Faculty Affairs at OFD@lmu.edu no later than Monday, July 22, 2019.
