SECOND QUARTER ACTIVITY SUMMARY

LMU faculty and staff were awarded $3,448,057 to support their sponsored projects and research in the second quarter of Fiscal Year 2019 (September 1, 2018 - November 30, 2018). Last year, during this same period, LMU received $2,703,412.

![Comparison: Total Dollars Awarded by Second Quarter End (FY 2017, FY 2018 & FY 2019)](chart.png)

The mission of the Office for Research and Sponsored Projects (ORSP) is to

- enhance the environment for research and creative activities at LMU;
- encourage and facilitate external funding for faculty and staff projects; and
- support the University's pursuit of academic excellence.

Our primary purpose is to assist faculty and staff in obtaining funding from sources external to the University – including government agencies, foundations, corporations and other non-profit associations – that advance their creative, scholarly and research activities. The ORSP staff provides expertise in negotiating collaborations and contracts with other institutions or organizations, navigating the application development and submission process, and assisting with identifying funding opportunities, that are necessary to support faculty/staff interests.
