

# LMU|LA Loyola Marymount University Office of National & International Fellowships

## Upcoming Events

### [NSF GRFP Info Session](#)

September 12 at 3:30pm in University Hall, McIntosh Room 3999

The National Science Foundation Graduate Research Fellowship Program supports outstanding graduate students in NSF-supported science, technology, engineering, and mathematics disciplines, who plan to pursue research-based master's and doctoral degrees at accredited US institutions. Juniors, seniors, and current graduate students are encouraged to attend.

---

### [Goldwater Info Session](#)

September 26 at 12:30pm in Executive Conference Center 1857

The Barry Goldwater Scholarship was created to encourage outstanding students to pursue research careers in mathematics, the natural sciences, or engineering and to foster excellence in those fields. Scholars receive up to \$7,500 annually.

Eligible students should have a recommended minimum GPA of 3.8+, be a current sophomore or junior, and intend to pursue a research career in natural science, mathematics, or engineering.

---

### [Gaither Junior Fellows Webinar](#)

October 11 at 4pm, Online through WebX

The Carnegie Endowment for International Peace is a unique global network of policy research centers in Russia, China, Europe, the Middle East, and the United States. Gaither junior fellows work as research assistants to the endowment's senior associates. Graduating seniors with aspirations of working in international affairs are encouraged to attend.
